The purpose of the present paper is to review the findings reported in studies of syntactic development in Spanish as they relate to children's use of subordinate clauses within complex sentences. The editor wishes particularly to thank the following translators and scholars for exceptional devotion and co-operation, often under difficult conditions: Professor A. Dieses Foto wurde heimlich geschossen, um eine gewisse Absicherung zu haben. The essays sprang, no doubt, from such note-books as scholarly men used to keep in that age, and gradually rounded themselves into their present form from a few connected thoughts.
