In truth, these segments of his book are among the more interesting, for here we find much of the shared imagery that connects all portraits of confinement. Siamo fatti degli stessi elementi che si trovano sulla terra, a abbiamo molti degli stessi processi biologici che avvengono in quella pianta che avete visto oggi o quell'animale che avete visto ieri. But director Darren Aronofsky manages to turn the art into a masterfully tense, claustrophobic rendering of a breakdown in

pursuit of perfection. This content does not have an Arabic version.

But in the midst of it there was this sense that things were completely out of control. The car's value was well below invoice and for the first 6 months I could have resold the car for a profit at private sale.
