It must be admitted upon reflection that the octave unison

with which the finale starts is itself an introduction; it has gone entirely unobserved, because nobody has expected Haydn to extend his variations on the theme of the introduction to the last movement. When it happens, it has to be played as what it is—a downright structural miracle. The producers were in the same boat as us, so ultimately, we took it upon ourselves to come up with our own brief in the week or so we had remaining after I flew back to get it all .
